In order to do so, each proprietor must file and receive approval of the applications and bonds required by this subpart. Each proprietor must also conduct operations and keep records in accordance with this subpart. Where operations by alternating proprietors are limited to parts of an alcohol fuel plant, a diagram designating the parts that are to be alternated must be submitted. A diagram must be submitted for each arrangement under which the premises will be operated. The diagram must be in sufficient detail to establish the boundaries of the alcohol fuel plant or any part of it that will be involved in the alternation;
